

# ***CLINTON TOWNSHIP RECREATION SURVEY***

This Citizen Opinion Survey was designed for the purpose of gathering your ideas that will be utilized in developing a five-year plan for recreation improvements in the township. We encourage the participation of the entire family in the completion of the survey.

All responses are confidential and will be mailed directly to Vic Chiasson, our independent consultant from Eastern Michigan University. Professor Chiasson will provide evaluation and analysis of the survey results. Survey results will be available in the Parks & Recreation Office when the evaluation is complete.
